
Remote & Satellite Stands Usage Discount (“the Scheme”)

1. Scheme Outline

An airline which operates a departure from Dublin Airport in accordance with the Scheme criteria, may benefit from a discount on qualifying airport charges in reference to services provided by daa plc (“daa”) on the applicable flight. Discounts will apply to; (i) passenger service charge (including transfer passenger charge), (ii) aircraft parking charge, (iii) airbridge use charge, and (iv) runway movement charge (together the “Qualifying Charges”). Details of these charges are set out in the document entitled “Dublin Airport Charges, including Terms and Conditions¹”.

For the avoidance of doubt, Qualifying Charges do not include charges; (i) introduced by daa in compliance with National or European legislation; (ii) introduced by the Commission for Aviation Regulation; (iii) relating to additional services provided by daa including, but not limited to, the persons with reduced mobility charge (“PRM Charge”), (iv) set out in the Miscellaneous² Charges Booklet or (v) environmental-related charge.

Scheduled and additional scheduled passenger flights as defined through the slot co-ordinator definition qualify for the remote & satellite stands usage discount.

2. Level of Discount

The level of discount applied to flights departing from either a remote stand or satellite stand between 06:00 – 08:00 local time will be 30% on the qualifying charges up to 24 March 2018.

The level of discount applied to flights departing from either a remote stand or satellite stand between 05:00 – 08:00 local time will be 50% on the qualifying charges from 25 March 2018.

² <https://www.dublinairport.com/regulation-and-planning/airport-charges>

- a) The Scheme applies to a fixed time period. The flight must have been allocated a slot by the approved slot co-ordinator with the approved slot falling within the 06:00 – 08:00 local time period up to 24 March 2018. The flight must have been allocated a slot by the approved slot co-ordinator with the approved slot falling within the 05:00 – 08:00 local time period from 25 March 2018.
- b) The discount scheme is available to scheduled and additional scheduled passenger operations that depart from a remote stand or satellite stand as defined by daa.
- c) All remote stands and all satellite stands at Dublin Airport during the time period of the scheme are eligible for the discount.
- d) In order to avoid cases of double discounting, if the discountable flight is availing of daa's Long-haul or Short-haul Route Support Schemes or Capacity Optimisation Scheme, the Remote & Satellite Stands Usage Discount Scheme will not apply.

4. Payment of Discount

- a) Any qualifying discount is offset against the customer's account. In this regard, the operator is levied at the discounted rate.
- b) The Scheme will apply or continue to apply only as long as:
 - i. the qualifying criteria for the Scheme are met;
 - ii. an operator is fully compliant with the Dublin Airport Charges, including the Terms and Conditions;
 - iii. invoices for all airport charges and any other fees or costs incurred by daa in respect of any services provided by daa to the operator are duly paid (including adhering to credit terms in respect of all daa invoices, unless daa, in its absolute discretion, shall otherwise determine);

- iv. any amounts determined as due to daa as part of the outcome of any legal process are paid; and
- v. all other contractual agreements in existence between an operator and the daa are adhered to in full and all applicable licence agreements and other commercial arrangements are completed, signed off and are being adhered to in full.

Where an operator is found to be in breach of the above requirements, daa reserves the right to proportionately reduce the level of discount otherwise due under the Scheme.

5. Amendment or Termination of the Scheme

- a) daa reserves the right to amend the terms of the Scheme at any time, including the criteria for eligibility to participate in the Scheme.
- b) If the carrier is found to be abusing the slot allocation rules in line with Commission Paper 12/2017³ (issued by CAR) by the appointed slot coordinator, daa reserves the right to withdraw the discount.
- c) daa also reserves the right to terminate the Scheme, such termination will coincide with the end of an IATA scheduling season.

6. Application of Discount

- a) For the purposes of the Scheme, discounted airport parking charges will mean a discount on parking related to the relevant movement for a maximum period of 1.5 hours. Parking charges above this period are not discounted.
- b) Where aircraft parking period occurs fully or partly during the charge-free period defined as “night-time” in the Terms and Conditions, no further discounts on aircraft parking will be given.
